ABOUT US

With over 50 years of site services experience, SSA is passionate about what we do. Let us provide you with fresh and sanitized equipment, an unparalleled 20-point cleaning procedure, top of the line scent eliminators and fragrances with the highest quality paper products, soap and hand sanitizer available. We offer Temporary Fencing, Roll-off Dumpsters, Restroom and Shower Trailers, Generators, Storage Containers, Light Towers and more. Please inquire about our full product and services list. No company compares to the level of cleanliness and quality that we provide.

We love what we do and guarantee you will love us too. Ask us about our service guarantee.

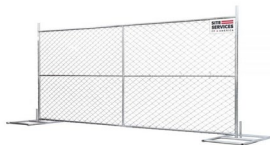

In addition, we pride ourselves in simple descriptive billing, stable pricing and easy payment options. We provide flexible and custom invoicing and work with customer or third-party billing portals.
